Students and Staff of F. J. Brennan High School -

I suppose it would be fitting to address myself to the graduating students and offer my heartiest congratulations to those who are successful, and my condolences to those who are not. It would be fitting but I prefer to address the undergraduates, for they are the ones who are going to "make or break" Brennan in future years. The enthusiasm, the achievements and the "spirit" at Brennan were envied this year by all Windsor schools, and indeed have been for a number of years. But it is up to you undergraduates to keep the tradition alive. It will not be easy, it never has been. But you will be giving to your fellow Brennan students the same good breeding that this year's graduating students will bring with them for the rest of their lives. It is quite a gift!

The school motto is "Caritas", and this year's student body lived by that motto one hundred per cent. I am thinking specifically of the blood and basket drives. But, again, if this is to continue, a lot of hard work must come from Brennan students of the future. So to you future graduates I say "good luck", and to the whole school, students, staff and administration I say, "Congratulations for a great year!"

Sincerely,
Christine

Principal's Message

The Catholic school system must provide educational, social and religious instruction for its students; otherwise, our function in a pluralistic society becomes meaningless. Our function will be attained if you, as our present student body, and as future parents of Catholic children, want Catholic schools. Catholic schools have progressed steadily in the past decade. With continued interest and concern of the Catholic people, our progress will continue.

It is up to you to maintain our interest and concern about the future of our system. It is up to you to become involved, with God's help we shall succeed.

F. J. Burke

A handwritten signature in dark ink, appearing to read "F. J. Burke". The signature is stylized with a large, looped "F" and "B".

VICE-PRESIDENT

Mr. J. Kennedy

J. Kennedy

People talk about a generation gap - whatever that means. People talk about today's teens and say, "they're apathetic" - whatever that means. If more people would stop talking about teenagers and talk with them there would be no, so-called "generation gap" and no such view of "apathy". I trust that at Brennan you had the opportunity to bridge the "gap" and work hand in hand with so many of the teachers who are sincerely interested in you. If we did succeed with you I further trust you will spread this "caritas" into the "people" of your future.

OUR TIME IS NOW

"There is a season for everything, a time for every occupation under Heaven:

A time for giving birth

a time for dying;

A time for tears,

a time for laughter

A time for mourning,

a time for dancing.

A time for keeping silent,

a time for speaking out.

A time for loving,

a time for hating;

A time for war,

a time for peace. "

DEDICATION TO THE SENIORS WITH COMPLIMENTS OF THE JUNIORS

First of all, we want to thank you for helping to make our school something all of us can be proud of. But mainly, the message we want to give you is in the form of a challenge which we hope each one of you will accept and try to fulfill to the utmost of your ability. Many of you will be leaving Brennan, just as some will be staying. To those staying we say, get involved with Brennan, get into the spirit of our school in your last years here. More important though, we say to those who are graduating, "Bring the spirit of Brennan out into the world to your job or to university. We ask you to practise Caritas in your daily lives. With these words we wish you all possible best wishes and good luck from the juniors.
